

CARING FOR THE ENVIRONMENT

2017 RESOURCE MIX FOR ROCK RAPIDS

Rock Rapids' Power Supply Mix

Our diverse mix of power supply resources results in reliable, affordable and environmentally friendly electric service for Rock Rapids' citizens and businesses.

Renewable resources continue to be added to the mix. A small solar project was added in 2016 and a new hydroelectric project is under construction.

To learn more, call us today at (712) 472-2511.

75% Rock Rapids' percentage of renewable power supply
77% Rock Rapids' percentage of carbon-free power supply

*Percentages do not include market purchases.

Market purchases include a substantial amount of wind power, but the percentage is unknown.

HYDROPOWER

Our most reliable renewable resource.

WIND POWER

Available about 35 percent of the time.

SOLAR POWER

Available about 20 percent of the time.
